

# Electronic Equipment Repair Technician

**Company: Medite Inc.**

Orlando, FL

## **Description:**

Help to prevent cancer with our precise medical laboratory instruments. For our office in Orlando (FL) we are looking for a young candidate preferably having a high technical understanding and a good background of electronics and mechanics.

We provide training on the job in the US and at our headquarter in Germany to educate the applicant in the skills necessary to install and repair our equipment. We are interested in long-term employment relationships that offer opportunities for personal development and on-going education.

Candidates who are interested in this job profile should send their CV to: Sandy Palmer, email: [palmer@medite-group.com](mailto:palmer@medite-group.com)

**Medite Inc.** is located South Orlando near West Sand Lake Rd.
